First of 110 Properties to Go Under Hammer

One of the first Lemon Grove parcels to go under the California Department of Highways hammer April 6 will be this fourplex formerly owned by J. D. Robinette at 7490 North Ave.

Pictured above, surveying the property that will be added to five other parcels for individual sales are E. I. Robinson and Robert Kressin, right-of-way agents for the Department of Public Works Division of Highways. They will handle the selling of the property, all of which must be moved to make way for the freeway.

Lenox Foto for the Review

Six parcels of real estate will go under the Division of Highway's hammer in an all-day auction sale, Tuesday, April 6, starting at 10 a.m.

Property seekers will have an opportunity to buy the improvements only, to make way for the new Lemon Grove freeway which will swing north of North Street in the center part of Lemon Grove. Property to be sold and moved to make way for the eight lane improvement is as follows: a house at 8526 Imperial, owned by Maude Sucher; a house at 8397 Dexter, owned by C. McGrew; a house at 8367 Dexter, owned by W. Axlen; a house at 8353 Dexter, owned by C. E. Bauman; a house at 8333 Dexter, owned by E. Morgan; a fourplex at 7490 North Ave., owned by J. D. Robinette.

E. I. Robinson, right-of-way agent, Department of Public Works, Division of Highways, State of California, together with Robert Kressin, of the same organization and title, will conduct the sales.

No land is involved, they pointed out. Only the improvements will be sold. The successful purchaser will have up to 60 days to move the property but the purchase must be in cash. 25% or more of the bid price must be produced on the day of the sale and up to 45 days will be given to obtain the balance.

Robinson said that similar sales have brought varying amounts of revenue to the Highway Department. A building brought as much as $15,000 and last week a building in Vista, a liquor store, went for $1.

"We had an unusual combination in Vista," he chuckled. "We had a combination of a liquor store, a gas station, and finally a mortuary. A person could write a true life story on those three, and in that sequence," he said.

No realtor will be involved in the sale of property, there will be no commission to pay and additional information may be obtained by contacting the Division of Highway Sales Office in downtown San Diego, according to Kressin. He added that there are about 110 parcels to be sold by January.

Meanwhile, Ralph Luckenbach, assistant engineer for the Department of Highways reported that seven property owners along the Bancroft right-of-way have come to terms. The response, he said, was heartening. This represents more than 15% of the appraisals, he pointed out.

We do not count a man's years, until he has nothing else to count.

Rite Masons are urged to attend some of the sessions and to help in entertaining of the several thousand visitors who will be present in San Diego.

First National Makes Formal Announcement of Address Change

Plans are under way for a modern bank at the southeast corner of Golden and Imperial, it was announced this week by Harold Royle, executive vice-president of the First National Bank of San Diego, which operates a branch in Lemon Grove.

"The new site," Royle said, "will feature a large parking area rather than drive-in facilities. This is to give personal contact with our patrons. Drive-in banks are usually designed for areas where parking space is not available."

"Plans are under way for a modern bank building which will be a credit to the community," said Anderson Borthwick, the bank's president. "We have ample room in the area which extends from Imperial to Golden to build this parking area. Progress with Mr. Tony Sonka, owner of the property, is sufficiently far enough along that we can announce our plans."

Sonka indicated that the present structure, the old Bryan home, would be moved as soon as arrangements for its removal could be made following windup of negotiations.

The space to be occupied by the bank will be 114 feet along Imperial by 350 feet on the Golden Avenue side.

As soon as all negotiations are completed an architect will be assigned the duty of designing the modern bank building, Royle said.

Mary Rewicz Has U. C. Symphony Part

Mary Rewicz of Lemon Grove High School was a participant in the All-Cal High School Symphony held recently at the University of California, Santa Barbara College.

The symphony included musicians from more than 50 high schools in California.

The young musicians arrived at Santa Barbara College three days prior to the concert and began intensive rehearsals. Housing was arranged by Phi Beta, honorary music fraternity, for the students to stay in private homes.

Miss Rewicz lives with her parents at 1930 Fairhaven street. She played the viola.

Sun Helmet Needed By Heartland Players

Bud Coffin, the supervising director of the Heartland Players, announced on Sunday that Ruth Bracking will replace Janet Hentigan in the part of Elaine Harper, the minister's daughter, in the forthcoming production of "Arsenic and Old Lace."

He also said that the group is sadly in need of a tropical sun helmet to adorn the head of one of the leading men in the play. If any one of you Review readers has one left over from a recent safari to Africa or some such thing, we would greatly appreciate your lending it to us for a few performances. Please call Mrs. Williams at HO 9-3128.

Local Residents to Attend Speech of Mrs. Roosevelt

Mrs. Eleanor Roosevelt, claimed to be one of the greatest authorities on U. N., a former delegate for six years, and an active member of the National Board of the American Association for United Nations, will speak Saturday, April 3 at Russ Auditorium.

Her appearance is to aid the nation-wide membership drive for AAUN and the public is invited to attend her discussion which begins at 2 p.m.

Tickets are available at Palmer Box office at 640 Broadway and none is reserved. A few will go on sale at Russ at 1 p.m. on the day of her discussion.

Among prominent Lemon Grove residents will be Mr. and Mrs. John Landescola, Mr. and Mrs. John Dail, Mr. and Mrs. Stephen Herald, Mrs. William Gronaw, Mrs. Charles McKenzie and Mrs. M. Brine.

Foothills editors will hold an arm-chair press chat with Mrs. Roosevelt prior to her public appearance.

Looking back over forty years, we cannot remember a finer American couple than we have in the White House today. They represent the true American spirit at its best. May they long continue!

Analyzing the Community Chest report in newspaper articles we find that youth groups, Boy Scouts, Campfire Girls, YMCA and YWCA, get almost $350,000. Money well spent. Two sectarian groups get better than $38,000. We question the wisdom of these allocations. Watch for similar operations getting into the future picture. We note, too, that the overall operational expense of the Chest exceeds $104,000.

Looking over the text of Governor Goodwin Knight's budget for the State of California, we get a thrill with the announcement that no extra taxes are needed. Good for Goodwin! Item number one, and it should be number one, is the correction of the maladministration of the alcoholic beverage laws. With the fall of the Samish hierarchy (the long time King Pin Lobbyist in Sacramento) we hope the Bonelli Borrasca (a mining term applied to unproductive areas, a failure). We wonder why Bonelli with his brilliant educational background and his keen legal mind associated himself with the seamy side of life.

In a recent "Dimmer View" column comment was made on the lost motion at the San Diego Motor Vehicles Division Office. No business could operate with the indifference displayed by the public servants paid by your money and mine. Uncle Sam is a tough guy to do business with, but when it comes right down to business in harassing the taxpayer, he can take lessons from the State of California.

Shoppers from surrounding areas mingled with hundreds of local residents to take part in the opening of what is called the largest market in San Diego County, when Big Ace Markets opened Wednesday morning.

Festivities, which included give-aways, rides for kiddies, clowns, food samples and street dancing, got under way as a helicopter from the La Mesa Airport flew manager Larry Childress to the roof of the huge market.

Jim Banister, Ace president, and Kenny Stapp, the firm's general manager, were on hand to welcome the first of the throng to pour into the colorful interior. Fully stocked shelves had immediate appeal for hundreds of homemakers as they browsed and shopped the length and breadth of the building which is almost of football field-like dimensions.

The 40,000 square foot market represents more than a million dollars in land, inventory, equipment, building and landscaping. Thousands of dollars were spent planted in maturity, and a low on tall waving palm trees, transcolorful adobe wall surrounding the limits of the parking area to lend safety to traffic control.

The huge parking lot with stalls for 300 cars was filled many times and traffic conditions grew so severe that State Highway patrolmen and deputy sheriff's men, under Deputy Willard Rigley, were needed to clear the confusion.

Officials of the firm indicated enthusiasm with the turnout and apparent enthusiasm residents of the area had for the big store. Banister pointed out that the firm had made good its promise to present the finest operation in the county and that nothing had been spared toward this end.

Some of the features which attracted the attention of first shoppers were:

Air conditioning, electric carpet doors, background music, 10 check stands, 166 feet of frozen foods, 134 feet of self service meats, 200 feet of produce, convertible shopping carts for children, newest display gondolas, check cashing booth, non-glare lighting and continuously operated kitchen with a permanent home-economist.

Attracting particular attention is the Swedish bakery. The operator, Bert Brolin, was command baker for King Gustav V of Sweden before coming to America.

Banister quoted from the figures supplied by A. E. Ries, general contractor who built the gigantic plant, some of its physical qualities.

He said that 30 three-bedroom homes could have been built from the lumber in the market. 550 residential driveways could be carved from the parking area. 97.7 miles of wire and ten miles of plumbing were used. Enough refrigeration for 1050 average homes and lighting equivalent to 75 houses is used daily. Enough mirrors to cover the walls of three 3-bedroom homes are hung on the market's walls and enough paint to cover 50 3-bedroom homes was used. The floor area alone is sufficient to hold 50 3-bedroom homes, Ries stated.

The million dollar venture, firm statisticians pointed out said that if all the dollars (1,000,000) were laid end to end they would stretch 100 miles. The adobe

Big Turnout of Local Residents At Preview

A preview showing of the huge market attracted hundreds of local persons Tuesday night. A barbecue dinner and a list of half a dozen grocery items were given to each of the visitors.

The guest list was made up from lists supplied by local clubs, organizations and church groups and if you were not there it was not intentional. Big Ace could not serve everyone.

Jim Banister, president of Big Ace congratulates E. A. Ries, general contractor who built the huge market in record time while Kenny Stapp, general manager of the market chain looks on.

The Dimmer VIEW

by Max Goodwin

I have been contemplating, in a desultory sort of way, the sorry state of affairs by which we, who pridefully call ourselves taxpayers, have allowed our taxing district's representatives to become tyrants and nominate themselves, and the system in perpetuity, in spite of the apparent contempt they have for the sweat of the brow we mangy mortals must generate in order to give them continued support.

I must obviously say something nice about the persons who do not fit positively into this description, and if any feel that I am misrepresenting them they may apply for an equal amount of space to state their case, with appropriate remarks from the editor, naturally.

Let me cite a hypothetical case to illustrate what I am carping about and then follow this up with a few pertinent and pointed observations. Pretend we have a group who wants to form a district for the avowed purpose of supplying birdhouses for wayward seagulls. The first thing the proponents do is to develop a high powered public relations program and pour it on local papers with a fervor seldom seen since Billy Graham beat his way into the Big Time. So sincere appear these proponents that the sympathetic editor finally succumbs and buys the whole package of weekly, daily and even hourly press handouts. The proposition passes but then comes a change. Try now to get a straightforward report on the state-of-the-tax-district. Sure, a reporter can get the dope he wants if he has time to sweat it out like a ditchdigger in a hardpan strata. There's nothing wrong with dig-

Water Mains To Be Flushed

The Irrigation District is going to flush Lemon Grove's water lines next week but Lemon Grove homemakers will not be able to use that as an excuse not to do the washing because the district will not flush on Monday. At the same time fire flows will be taken on each hydrant.

You are advised not to wash during such times as the men are operating in your area and sufficient water for household uses should be drawn as soon as their operations are noted in your vicinity. The water will clear up shortly after they have finished flushing, but in the case of trouble phone the Irrigation District's office.

Student Activities Council Lists Officers

With the start of the second semester at the Lemon Grove Junior High, the student council began its activities with a new list of officers and room representatives. Under the faculty guidance of Keith Dolan, advisor, the group meets every two weeks in the school auditorium to plan student activities, to suggest improvements or additions to existing student regulations and privileges, and to map courses of action for the student body of the school.

Sue Ann McDonald heads the council this semester as president, with Kenny Smith, also of the eighth grade, serving as vice president. Carolyn Randall is the council secretary, and Linda Walters, first seventh grader to hold an office in the group, is treasurer of the organization.

Newly appointed commissioners include Jerry Waddle, commissioner of elections; Antonie Kallis, commissioner of student affairs; John Conlee, commissioner of boys' athletics; Connie Reid, commissioner of girls' athletics; Anita Brook, commissioner of safety; and Sonja Larson, commissioner of health.

Serving as room representatives to the council are Joyce Martin, 6-1; Carol Redel, 6-2; Jackie Price, 6-3; Martha Allen, 6-4; Beverly Lizama, 6-5; Carolyn Tryon, 6-6; Larry Kenworthy, 6-7; Karen Krueger, 7-1; Barbara Bandlow, 7-2; Lois Davy, 7-3; Philip Winkler, 7-4; Joan Klaus, 7-5; Anna Harlar, 7-6; Sandra Perry, 7-1; Pat Boone, 8-2; Johanna Correll, 8-3; Deanne Malmstrom, 8-4; Jean Hickman, 8-5; and Judy Wallace, 8-6.

Business Women Have Big Turnout

The Business Women's League luncheon at Michael's last Thursday was well attended with 34 members and guests, among whom were Mrs. Alfred Van Nice and Mrs. George Waddle.

Final total of Red Cross contributions collected by the League throughout the business district was reported at $426.30, according to Edna Snyder, committee chairman. League members voted to supply a campership for the Girl Scouts again this year.

Mrs. Paul Harvey will represent the BWL at a meeting concerning sewage problems in Spring Valley.

The nominating committee presented the following slate of new officers to be voted upon at the next meeting: Mrs. Al Cole, president; Mrs. Calvin Nichols, vice-president; Mrs. Evelyn Lauritzen, secretary; Mrs. Harmon Russell, treasurer; Mrs. Fred Scheneman, corresponding secretary.

An interesting talk on package zoning is planned for the next dinner meeting at Michael's, April 1.

Royal Arch Masons Plan Centennial Year

Centennial Year of the Grand Chapter of Royal Arch Masons of the State of California is being marked this year and a year long celebration of this event is being planned. Activities will be held in the various places throughout the State of California. San Diego Royal Arch Masons are taking a leading part in this celebration as the present head of the Order in California, William Markle, Grand High Priest, is a San Diegan and the opening event of this year of celebration will take place in San Diego.

On April 20, a dinner dance will be held in the Balboa Park Club to inaugurate the centennial year (a few tickets are still available to Royal Arch Masons). Lawrence Welk and his famous orchestra, will provide entertainment, supplemented by numerous night club acts. There will be other similar events throughout the year, in Los Angeles, Sacramento, and in San Francisco. In addition, all York Rite Masons, of which Rite the Royal Arch is a part, are putting forth every effort to promote the ideals for which their Order stands, good citizenship, good education, good fraternalism.

During the week of April 18 to 24, Grand Bodies of the York Rite, consisting of Grand Commandery, Grand Council of Royal and Select Masters, Grand Chapter of Royal Arch Masons, will all convene in San Diego and all San Diego and Imperial County York

County Orchids To Be Shown Saturday, Sunday

The public will be able to witness one of the largest collections of orchids ever displayed in San Diego on Saturday and Sunday, when the San Diego County Orchid Society presents its Eighth Annual Orchid Show in Recital Hall, Balboa Park. The doors will open at 1:30 p.m. Saturday afternoon and remain open till 10:00 p.m., and on Sunday they will open at 10:00 a.m. and close at 6:00 p.m. Judging will be done Saturday morning, from 9:30 till 1:30 p.m. Amateur and commercial growers from Massachusetts to Hawaii have already written Show Chairman, Virgil H. Schade, reserving exhibition space.

Mrs. John Dail Re-Elected P-TA Head

Mrs. John Dail was re-elected to the presidency of the Lemon Grove School P-TA last Thursday evening at the group's first meeting in the new junior high auditorium. Other officers elected at that time include Mrs. Bert Cosby, first vice president; Mrs. Bruce Morgan, second vice president; Mrs. Channing Mason, third vice president; Mrs. Harold Randall, fourth vice president; Mrs. Virgil Danielson, recording secretary; Margaret Darroch, corresponding secretary; Mrs. Carl Planchon, treasurer; Mrs. Paul E. Myers, historian; and Mrs. Fred Drummer, auditor.

The clarinet quartet, under the direction of Paul Cheatham, music director at the school, played for the guests. Quartet members include Janet Baxter, Mary Tellas, Burton Brown, and Roger Humphrey, all of the eighth grade.

Guest speaker for the evening was Dr. Fannie Mantalto, clinic psychologist from San Diego, who discussed traits of the pre-teener and the teener with the parents.

Refreshments were served by room representatives from the 7-3 and 7-4 classes, with Mmes. John Wrede and Thomas Devin. A St. Patrick's Day theme was carried out both in table decorations and refreshments.

Course in Hunter Safety Under Way

A special course to train instructors in Hunter Safety will be held each Tuesday, at San Diego Evening High School, 12th and Russ Sts. The course, sponsored by the California Fish and Game Department and San Diego Evening High School, will be taught by Rodney Pease, a life member of the National Rifle Association and former instructor in the San Diego Police Department.

Effective July 1 no person under 16 years can be issued a California hunting license until he has completed a course in Hunter Safety. Volunteer instructors are needed to teach Hunter Safety in their local communities.

Members of service clubs, sportsmen, teachers, and all persons interested in qualifying as instructors of Hunter Safety should contact the California Fish and Game Department, 1005 West Ash, BE 4 3231.

Gregg Shorthand Classes For Adults to Start

A short course for beginners will be offered at Grossmont Adult School on Mondays and Wednesdays at 7 if enough persons register. An intensive study of the theory of Simplified Gregg Shorthand will be taught to beginners. Advanced Gregg students are welcome at any time to brush up on their shorthand by using up-to-date transcription records. Mr. Stanley A. Baker, commercial teacher at Grossmont High School, will be the instructor of this course which is tentatively planned to run through May 12, dependent upon the enrollment.

Red Cross Column

By CHARLES GURLEY
Public Information Chairman

Members of the Lemon Grove Red Cross are meeting regularly every Monday at the Woman's Club and working from 10 until 2 o'clock under the direction of Mrs. R. L. Castiglia according to an announcement made by Mrs. G. R. Roberts, chairman of this branch.

"This group is at present working on towels for the San Diego Naval Hospital and on children's underwear to be stocked and waiting for the next disaster call wherever it may come from," said Mrs. Roberts. "These ladies have the satisfaction in knowing they are making the most of their time and we urge any who can spare the time, to join this group."

L. G. Students Gain Music Festival Honors

At the County Instrumental Music Festival earlier this month Lemon Grove Music Department earned some very fine ratings. These are based on rating sheets used by judges all over the country, rather than on local competition with other schools. The musical units which took part and their ratings are as follows: band, superior; orchestra, excellent; string quartet, superior; brass sextet, excellent; clarinet quartet, excellent.

Three violin soloists entered were: Ethel Boucher, superior; Barbara Thomas, excellent; and Linda Smith, good. The only student accompanist, Mary Sue McMahon, was rated superior.

At the dinner given for directors and judges several of the judges expressed the opinion that San Diego Music Festival is the finest in the state. These same judges have officiated at festivals all over the State of California.

Lemon Grove Intermediate School also participated in the County Vocal Music Festival held March 19 and 20. Ratings are not given at this festival. However, the judges do comment on the performances, and it was their opinion that Lemon Grove turned in a fine performance and showed marked improvement over last year. Mr. Cheatham and Mrs. Krimsky are to be congratulated on their fine work.

Helix Students Hear Of New College At Riverside

Helix high school students had an opportunity this week to learn first-hand about the University of California's new College of Letters and Science at Riverside.

Clinton C. Gilliam, registrar of the university's newest four-year college, explained admission procedures during visits March 17 to Helix and Grossmont high schools.

The college, which opened this year in five modern buildings northwest of the Citrus Experiment Station, accepts without tuition fee all qualified residents of California. A $35 incidental fee is charged each semester to cover use of the gymnasium, swimming pool, library, health service and other special features.

Liberal arts courses offered by the college are the same as those on the Los Angeles and Berkeley campuses of the statewide university. The 50 members of the faculty have been selected by the same standards as those on the major campuses.

Objectives of the new college, as expressed by Provost Gordon S. Watkins, are:

1. To provide for every student a general education in the arts, letters and sciences.

2. To provide pre-professional training for those that plan to enter medicine, law or other professions.

3. To provide ample opportunity for the cultivation of creative abilities and development of critical judgment.

4. To supply students with a knowledge of the essential requirements of constructive citizenship in a democratic society.

The five new buildings, designed for a student body of 1500, include an open-stack library with facilities for 150,000 volumes, and a complete co-educational gymnasium with outdoor swimming pool.

Grove Teacher Leads L. A. CTA Program

At a special Tenure Conference this weekend in Los Angeles, Peg Darroch, Lemon Grove teacher, will participate as chairman of one program set up to inform local delegates of teachers' clubs of Southern California of trends in tenure legislation. Sponsored by CTA, Southern Section, the conference will include a Friday evening meeting of leaders and an all-day session on Saturday, March 27. Regular local delegate from Lemon Grove will be Louis Poluzzi, president of the Lemon Grove District Teachers Association.

Golden Ave. School To Present Cantata

The Golden Avenue School glee club, under the direction of Elda Bengston, will present "The Little Disciple," an Easter Cantata at the auditorium on School Lane on Tuesday evening, April 6, at 7:30. The program is open to the public and there will be no admission charge.

Soloists for the program include Judy Koopmans, Anna Garret, Ronica Barker, and John Ball. Mrs. Loelia Cole will accompany the singers.

Glee club members include twenty six sopranos, and thirty seven altos. The group of elementary school children has been working on this Easter production for several weeks, and it is the first event staged in the new auditorium recently completed.

Wanted by State Parole Officers

California can use more parole officers for work with prison inmates and parolees, the State Personnel Board says.

The jobs require one year of casework experience with a correctional or guidance agency, plus college graduation with major work in the social sciences. Two years' investigation for a law enforcement agency may be substituted for casework experience. Salary range for parole officer I, the entering class, is $376-$436 monthly.

For non-college graduates, some substitution of additional experience for education is allowed.

Four other classes of jobs were announced by the personnel board. They are prison records officer I, paying $325-$395; seed potato certification inspector, $325-$395; senior seed potato certification inspector, $376-$458; and bookkeeping machine operator I, $243-$295.

Applications will be accepted for electroencephalographic technician, $281-$341, and for dietitian, $295-$358.

Additional information is available at Department of Employment on Columbia Street.

Yo-Yo Contest at Golden Avenue School

The children of Golden Avenue enjoyed a Yo-Yo contest Friday afternoon, March 19.

Quite an array of talent entered the contest. The contest was open to all pupils of Golden Avenue regardless of age or grade. It was sponsored by the Golden Avenue Student Council.

The contestants were judged on how well they could perform the ten basic yo-yo tricks. The judges were Mr. Wiley Cornelius, teacher, Roger Ruthorford, from Junior High, and Karen Keeton, president of Golden Avenue Student Body.

The following people won prizes:

1st prize—Robert Buford with 100 points.

2nd prize—Merritt Williams and John Speckman with 80 points each.

3rd prize—Michael Cosby with 75 points.

The Student Council has planned a Marble Contest for the near future.

CNPA Members to Be Feted at Orange Show

California's newspaper publishers will be honored guests of the thirty-ninth annual National Orange Show in San Bernardino Saturday, March 27—a day set aside as Press Day.

An invitation to all publishers to attend the famed citrus classic on that day has been extended by Ken W. Dyal, president of the 1954 National Orange Show. Dates of the glittering exposition this year are March 25 through April 4.

Grady Setzler of Blythe, Calif., publisher of the Palo Verde Times and new president of the California Newspaper Publishers Association, Inc., has accepted the invitation to attend the Press Day ceremonies. Publishers of the state and John B. Long, general manager of the C.N.P.A. will be honored guests at a noon luncheon March 27 and then be taken to the afternoon stage show.

James A. Guthrie, editor and president of The Sun-Telegram in San Bernardino, has accepted the chairmanship of the Press Day commitee of the National Orange Show.

Other inland empire publishers who will cooperate with Mr. Guthrie in entertaining the visiting newspapermen are: J. B. Briggs, publisher of Desert Trails, Twentynine Palms, Calif.; Frank Moore, editor of the Redlands Facts, Redlands, Calif.; Charles K. Dooley, editor and publisher of the Colton Courier, Colton, Calif.; Arthur Culver, business manager of the Press-Enterprise in Riverside, Calif.; and Vernon Paine, publisher of the Upland News, Upland, Calif.

State Income Taxes Is Next Problem

California taxpayers are urged by the Franchise Tax Board to file their income tax returns as early as possible this year. Because of the greater number of returns to be filed this year it will not be possible to give taxpayers the individual attention desirable unless they come early.

The San Diego office of the Franchise Tax Board is regularly open from 8:15 a.m. to 5:00 p.m. Monday through Friday. Saturday, April 10, the hours will be 8:15 a.m. to 5:00 p.m. On Thursday, April 15, which is the last day for filing without penalty

Capt. Vail Makes Huge Catfish Haul

If there's any question in your mind about catfishing in California, take a look at the above picture.

A team composed of Captain Bill Vail, 7219 Lester Ave., and Shortie Ahfeld of San Diego, caught a total of 70 fish, weighing from 4 to 16 pounds each, during a three day visit to Laguna Dam in California above Yuma, Arizona. The largest fish pictured above weighs 14 pounds.

The pair have been busy skinning the 140 pounds of catfish for three days since they returned to the Grove.

Control Clocks to Be Given With Ranges

Local appliance dealers will be offering an automatic oven control clock, valued at $35, free with the purchase of any qualifying C P range purchased in the Lemon Grove area before April 21.

In today's issue of the Review is a list of dealers connected with an announcement advertising this feature.

Homemakers are urged to check dealers for the free offer if they are contemplating a new gas range. The deadline will be strictly adhered to, dealers state, and no clocks will be available after midnight April 20, they said..

WHAT'S DOING
S. S. Campbell, your Telephone Manager for Lemon Grove

Emergency power for your telephone

Once in a great while, because of storms or other emergencies, a telephone central office may be cut off from its usual source of electric power. But this doesn't interrupt telephone service. In your central office are special electric generators, run by gasoline or diesel engines. And they take over the job of charging the large storage batteries that supply the current to run the telephone system. Planning ahead for emergencies is another way we make sure you have dependable, low-cost telephone service when you need it. **Pacific Telephone works to make your telephone a bigger value every day.**

Coast-to-coast calls cost only $2.50 plus tax

Just think — you can call clear across the country — for just $2.50 plus tax. This is the day station rate for the first 3 minutes. Calls over shorter distances — to Chicago, Salt Lake City, etc., cost less. Still lower rates apply for all calls on Sundays and after 6 p.m. on weekdays.

How you can enjoy even better telephone service

If yours is a party-line, you will receive even better service by following these simple points: When you have a series of calls to make, take time out between them. This gives other people a chance to reach you. Before you call, make sure the line is clear. And in cases where someone else has to make an emergency call while you're talking, the thoughtful thing is to hang up and call back later. Pacific Telephone.

"Highland Lads And Lassies"

By BOB TURNBULL

Smile . . . A small Lemon Grove Junior High girl, wiser than she knew, defined foreigners as "friends with whom you are not yet acquainted."

—o—

What's Happening? . . . This week—1st and 2nd lunch—in quad—leis for 20c each—sold by members of the Helix Lassies club . . . Red Cross drive at Helix High today and tomorrow (March 25, 26).

—o—

Sports Round-Up . . . (Believe it or not) Bob Divine, varsity basketball coach at Helix, was the two-mile champion of the Illinois Collegiate Conference while a student at North Central College . . . Six highland grapplers (wrestlers) traveled to Redondo Beach March 5 for the Southern California Inter-scholastic Federation wrestling championships. Howie Braught and Ed Dobis took thirds in their divisions . . . Comanche Team Number two, made up of students from the Helix campus, finished second in the recent city-wide bowling tourney sponsored by the Men's Bowling Congress.

Triple Congratulations . . . goes to Mr. Tom Warburton, the new officers of the C.S.F. of Helix, and Helix's musical talent. The facts: Congrats to Helix vice principal John "Tom" Warburton, who was recently presented with a life membership by Helix P-TA. Congrats to the new officers of the C.S.F., the scholarship club. Eric Smith is president; Judy Kuykendall, vice president; Brahna Lauger, secretary; and Pat Cheville, treasurer. Congrats to the Helix Band and Orchestra who received superior ratings at the County Music Festival last Friday. The vocal ensemble groups representing Helix High School at Long Beach Music Festival also received superior ratings. These groups are to be congratulated for their fine achievement. (I might add—maybe Helix isn't tops in sports, but they sure have remarkable music talent).

—o—

Contest Time . . . Congratulations goes to a thirteen year old Lemon Grove Junior High eighth grader named Bob Lindsley of 3635 Citrus St. in Lemon Grove for answering last week's quiz right.

Thanks to R. G. Richardson, Jerry Lindsley, Bob Whitaker, Lennie Weber, Elisa Williams, Bolivar Shagnasty, Karl Smillion, and May Lewis for trying to win the contest—keep trying!

The correct answer was "1946." This week's question—"What is the technical term for the saying 'water on the brain'?" The winner will receive a 78 rpm record and two free passes to the Lemon Grove theater.

—o—

My Helix High . . . Next year's A.S.B. leaders for Helix High. Neal Curtis, president; Bob Beasley, vice president; Jerelyn Taylor, secretary; Pat Chiville, Commissioner of Finance; Carol Prasser, Cultural Affairs; Connie Mastorakas, Public Works; Grace Kellock, Public Relations; Jerry Mulder, Athletics; Judy Kuykendall, Chief Justice; and Bill Erickson, Attorney General.

—o—

Throwin' the Bull . . . In a recent track meet held at Helix a week ago, Grossmont High, Helix's arch rival, numerically and physically tromped all over us. The "A" score was Grossmont 85, Helix 19. The "B" score—Grossmont 72, Helix 22. The "C" score—Grossmont 66, Helix 11. We lost and we're not ashamed of it. Helix tried their best but they just couldn't muster enough manpower to cope with Grossmont's mighty trackmen.

That's not why I wrote this article. My beef for this week, coincidentally, concerned with Grossmont again, is the attitude their trackmen showed on our campus. The blue 'n gold uniformed "Gus's" from the foothills arrived at Helix about an hour early and started roaming the school grounds as if they owned the place. They tramped up and down the halls, made racket, showed off, laughed at what Helix had (jealousy) and in general, acted like 3 year olds. During the meet they hooted and jeered our runners. Sure, we came in last, but good sports try to ENcourage fellows competitors, not DIScourage them.

Grossmont knew they were going to win, we knew it and so did practically everyone else. They should have had the decency to conduct themselves properly and not like "Gods from a superior race." I can't help but pity a team like that, I offer no congratulations for their future victories unless they change their attitude. (My apologies to the ones on the G. team who were friendly and mannerly). My best advice is, wise up Grossmont, you're not proving a thing by being egotistical.

Grove Woman Wins Radio Contest

Mrs. Jean Wrede, 1764 Dayton Dr., won a hair-do in KFSD'S Mystery Star Contest. The hair styling will be done without charge by the House of Walter, San Diego's 1953 Hair Styling Trophy winner.

Mrs. Wrede may now compete with other contestants for the fabulous $3,600 grand prize which includes a Hillman Minx, a mink cape, a roomfull of rattan furniture, a polaroid camera, a vacation at Borrego Palms resort and other prizes.

The contest has eight more weeks to go.

Kiwanis to Hear Noted Speakers

A star studded list of speakers for the Lemon Grove Kiwanis Club has been arranged for the coming weeks' programs, it was announced this week by Tom Warburton, club's president.

The club heard Dr. Wm. Rust, president of Cal-Western University, this week. Next week, Bill Howell, aspirant for the office of sheriff, but well known in Lemon Grove for his sympathetic traffic work, will demonstrate the intoximeter. Mr. O. W. Campbell, city manager of San Diego, will discuss some of the problems involved in operating a city of that size. Campbell will speak on April 7. Carlyle Reed, editor of the El Cajon Valley News, will speak on the 14th, telling of problems involved in operating an incorporated town the size of El Cajon.

ANTIQUE DOLL IN HOBBY SHOW

Linda and Mary Ann Pierce, ages 10 and 8, display a doll, which is 45 years old, at the Monterey Heights Hobby Show which was held last week. The doll head is made of French bisque from 1850 and the youngsters have been invited to the Santa Ana Doll Show, which gets under way Easter Sunday. The sisters live at 2116 Eldora St.

The annual Hobby Show of the Monterey Heights P-TA, held last Thursday evening, March 11, at the school, was a huge success. There were many varied and interesting hobbies shown. Those included doll collections, both modern and antique, costume jewelry, wood-fiber flowers, needle-craft, stamps, cards, trinkets, oil painting, chinchillas, and many others. The highlight of the evening's entertainment was the hobby of magical tricks performed by Mr. Henry Pugh. The auditorium was filled to capacity for this delightful program. Mr. Pugh has just recently moved to this area, and this was his first public appearance here. The hobby show was under the direction of Mr. Seymour Metzner and Mr. John Thumm.

A brief business meeting was called to order by Mrs. Vance Dittamore, president, at which time a new slate of officers were elected for next year's work. Mrs. Carl Nelson, president, Mrs. Ralph Tenison, 1st vice-president, Mrs. Lionel Thorogood, 2nd vice-president, Mrs. John Gregory recording secretary, Mrs. Alvin Berquist, corresponding secretary, Mrs. Alvin Cardoza, treasurer, Mrs. Frank Ferguson, historian, and Mr. John Thumm, auditor.

The color guard for the evening was Brownie Troop 375 under the leadership of Mrs. Phillip Titmus. Mrs. Dorothy Kennedy read the inspiring "Credo of an American Child."

Refreshments were served by the mothers of the fifth grades.

TOP PRIZE WINNER IN PIGGLY-WIGGLY CONTEST

Mrs. Earl L. Petersen, 7525 Olive St., La Mesa, was the top prize winner during the reopening of the revamped Lemon Grove Piggly-Wiggly Store.

Mrs. Petersen won a 21" Zenith television which was part of several thousand dollars worth of prizes distributed in connection with the reopening ceremony. Fifty baskets of groceries and a complete Easter outfit were among the other prizes and gifts.

Mrs. Petersen has been a regular shopper of the market and she said that the family did not now possess a television. With her and smiling happily to be able to make the presentation, is Clarence Milbrodt, the manager.

ST. JOHN COOKIE SALES WINNERS

Here are the winners of the St. John of the Cross Girl Scout cookie sales contest. Left to right:

Janet Smith, troop 554 sold 100 boxes and won a $10 camp award; Linda Cooper, troop 305 sold 76 boxes and she won an Intermediate camp award.

Aline Astle, troop 70 sold 138 boxes and won a full camp award.

Measles prevented Judy Beauloye, troop 70 from being present when the picture was taken. She sold 138 boxes.

NOTICE OF AWARD OF CONTRACT

Pursuant to Statute and to Resolution Awarding Contract of the Board of Supervisors of the County of San Diego adopted on the 16th day of March, 1954, directing this notice:

NOTICE IS HEREBY GIVEN that the said Board of Supervisors in open session on the 9th day of March, 1954, opened, examined and publicly declared all sealed proposals or bids offered for doing the following work, to wit: the construction of sewers, manholes and appurtenances in Alton Drive, Washington Street, Mt. Vernon Street, Ensenada Street and Easement.

Said Board of Supervisors did by said Resolution Awarding Contract award the contract for doing said work to the lowest, regular, responsible bidder, to wit: To Walter H. Barber at the prices named in his bid, on file with the Clerk of the Board of Supervisors of said County. For a description of the work, the boundaries of the district, and all further particulars, reference is hereby made to the Resolution of Intention adopted January 19, 1954.

Dated this 16th day of March, 1954.

Ratner Recommends . . . Here are this week's recommended records by Ratner's, 8th & Broadway in San Diego: "Hey Brother, Pour the Wine" and "I'd Cry Like a Baby" by Dean Martin (Capitol). Also "Brave Man" and "Tomorrow I'll Dream and Remember" by Rosemary Clooney (Columbia).

Timing . . . No one can dispute the fact that Stan Freburg's timing is just about perfect. During a rehearsal for his CBS radio show, "That's Rich," Stan had just read a line which said, "One thing California has more than anything else, is earthquakes." Just then Mother Nature provided the punctuation by shaking the studio with a mild (?) quake. Stan turned to the writers and ad libbed: "Alright, stop it! I believe you! I believe you!"

Record Round-Up . . . Top five popular records at Ratner's this week: (1) "Young at Heart," Frankie Sinatra; (2) "Make Love to Me," Jo Stafford; (3) "I Get So Lonely," Four Knights; (4) "Cross Over the Bridge," Pat Page; (5) "Wanted," Perry Como. Ratner Electric, 745 Broadway, San Diego, BE 4-3363.

Leading Classical: Toscanini; "In Memoriam," Bill Kapell.

Top "bop:" "Dizzy Over Paris," Dizzy Gillespie.

Possibilities of True Being Told in Sunday Sermon

The Sunday Lesson-Sermon in all Christian Science churches is entitled "Reality." The sermon points out how everyone may find the unlimited possibilities of his true being through spiritual understanding.

Jesus' words from Luke (12:32) "Fear not, little flock; for it is your Father's good pleasure to give you the kingdom," constitutes the Golden Text.

Ranger to Be on Woman's Club Program Tuesday

Ranger Walter Puhn, supervisor of Cleveland National Forest, in full ranger attire, including a "Stetson and Sam Brown," will address the Lemon Grove Woman's Club at the Forestry Conservation program, arranged by Mrs. Paul Harvey, program chairman, for the meeting Friday at 1:30 in the clubhouse.

Mrs. H. Irving Vernier will be hostess chairman, assisted by Mmes. Wesley R. Herbert, Herbert Latter and Beryl Paxton.

Preceding the tea hour there will be a display of ceramics and other attractive novelties made by members of the Arts and Crafts Section.

Mrs. Charles W. Brown reports unprecedented returns from the rummage sale held last week, for which she was chairlady.

Civil Defense Notes

Charles Gurley HO 6-3745

The Lemon Grove Woman's Club is setting an example which Dr. Frank Gigliotti hopes will be followed by many other service groups in this area. Through their Civil Defense committee chairman, Mrs. R. B. Hayhurst, they have arranged a meeting for 8 o'clock, Tuesday evening, March 30, devoted to Civil Defense.

Lt. Col. Albert Trumbull and Fire Chief Hensley have been invited to speak and to show some movie reels which are both interesting and exciting as well as educational. Col. Trumbull is one of the executive heads of San Diego County Civil Defense and Disaster Organization.

Helix Ball Set for April

Plans are under way for the Sixth Annual Helix-Grossmont Military Ball to be held April 24. A queen will be chosen from five finalists and the girl the cadets nominate will receive many beautiful gifts.

Because only a limited number of bids are available the object is to give as many students as possible a chance to attend rather than to attempt a profit on the ball.

San Diego County, California
3%, 2½% and 2¾%
Hospital Construction Bonds, 1954

Dated March 1, 1954 Due March 1, 1955-74, incl.

Principal and semi-annual interest (March 1 and September 1) payable at the office of the Treasurer of San Diego County in San Diego, California, or at the main office of the Bank of America N. T. & S. A. in San Diego, Los Angeles, or San Francisco, California, or at any fiscal agency of the District in New York, N. Y., or Chicago, Illinois, at the option of the holder. First coupon (annual) payable March 1, 1955. Coupon bonds in denomination of $1,000 registerable only as to both principal and interest.

In the opinion of counsel, interest payable by the District upon its bonds is exempt from all present Federal and State of California personal income taxes under existing statutes, regulations and court decisions.

Application will be made to have these bonds certified as legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment. They are eligible as security for deposits of public moneys in California.

These bonds, to be issued under the provision of Division 23, California Health & Safety Code, for various hospital purposes, in the opinion of counsel will constitute the legal and binding obligations of the Grossmont Hospital District and will be payable, both principal and interest, from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property, except certain personal property, in said District.

Review March 11, 18, & 25, 1954

International Relations Institute

"Our Role in World Disarmament and World Development" is the theme of the Fifth Annual San Diego Institute of International Relations to be held March 14 at Balboa Park, under the auspices of the American Friends Service Committee (Quakers).

Members of the institute faculty who will each be heard in an address, are Stanley Andrews, business man and expert on food and agriculture; Ross N. Berkes, acting head of the School of International Relations, University of Southern California; Clarence E. Picket, author and member of Quaker team at the United Nations; Morris Rubin, Editor of Progressive Magazine.

Registration for the institute may be made with Mrs. D. Lee Worcester, 4027 Brant St., San Diego 3; phone CY 5-2706.

Robert Vogel of the American Friends Service Committee states that the institute is an educational medium in which all participants—not just the faculty—share information and insight on programs facing the nation and the individual; that the purpose is to clarify the issues on which public decisions are to be made.

Vogel defines the AFSC as one of the group expressions of Quaker faith and practice, based on the belief in the essential worth of each individual. Founded in 1917, the AFSC seeks to relieve human suffering, to ease tensions between individuals and groups, and to assist in genuine peace making among nations.

On the executive committee for the San Diego Institute are James Riddles, chairman, Gladden Boaz, Joshua Bailey, Robert Benjamin, Olivia Davis, Mary Fay, Harriet Haskell, Margaret McConnell, Gretchen Rudnick, Mary Mendenhall, Gretchen Tuthill and D. Lee Worcester.

New Head for Blue Shield Service

Appointment of Ronald E. Cunningham as San Diego district manager for California Physicians' Service, the Blue Shield health plan, was announced last week.

The 31-year-old sales executive is transferring from the Los Angeles sales force, where he handled the Pasadena area for CPS, to replace Clifford Kessler who is leaving the organization.

CPS-Blue Shield health protection covers several hundred companies, in the San Diego area, employing thousands of people. Lemon Grove, Brawley, Chula Vista, El Centro, La Jolla, National City and Oceanside are among the towns served by the San Diego office, located at 2110 Fifth Ave.

Officially sponsored by the doctors of the state through the California Medical Association, non-profit Blue Shield offers free choice of physicians or licensed hospital anywhere in the world.

Members of Juniors Give Fashion Preview

"Sing a Song of Fashion!" say Louise Calkins and Ann Gobeille to the bird in the brass cage as they model some of the fashions to be shown at the Lemon Grove Woman's Club Juniors fashion show scheduled Wednesday April 3 at the New Junior High School Auditorium.

Tickets? They're easy to get. Call Mrs. Robert White at JUniper 2-5497.

FOR MAGIC IN COOKING—

THE TRICK IS TO GO ELECTRIC

You ask them – ask any of the millions who now cook electrically, what they like best about electricity and see how many say, "Its cleanliness."

Electricity is clean. Today's smart-looking, clean-lined electric ranges are easy-to-clean – keep your kitchen sparkling and that's not all.

Modern in design and construction, these automatic beauties make cooking easier and more pleasant than ever before. And better tasting, too – because with electricity you cook with so little water... all the health-giving vitamins and minerals – and the wonderful flavors of meats, fruits and vegetables are preserved for your table.

Today, bring the magical cleanliness, coolness and good cooking of a modern electric range to your home. See your dealer... and talk over his easy terms with him.

Remember, too, when you both cook and heat water electrically, you buy your electricity at lower rates.

BIG ACE OPENS

blocks used in the low traffic control wall would stretch 1½ miles end-to-end. A mile and a half of lumber was used for bumper guards in the parking lot; almost three miles of concrete blocks and 1¼ miles of red brick was used. Copper tubing alone would stretch 3¼ miles, and the wire in the communication system and burglar alarm systems stretch 4½ miles if laid out singly.

With the opening event safely tucked away the market moves on to give a total of ten days of opening celebration. Price features and give-away items will be continued throughout next week.

Among some of the opening event highlights was a beauty and talent contest m'd by NTG, Hollywood television star who will announce the winners soon. These are to appear on his Los Angeles TV show in April. Hundreds of local youngsters turned out for the teenage dance which was held on the market's parking area. The Pastels, a Helix dance orchestra aggregation, played for dancers while Al Hunter, popular disc jockey, spun records and gave away albums in the contest handled by NTG. Bob Turnbull, teenage columnist for the REVIEW, aided NTG in the m'ing chores.

It was a gala day and evening for Lemon Grove as more than a hundred local persons went on the Big Ace payroll following a week of intensive schooling.

At a preview event Tuesday night, several hundred local, county and state, civic and church, leaders and dignitaries were present. The wife of the firm's president, Helen Banister, and her sister, Mrs. Hildreth Von Kleinschmid, cut the ribbon which put the market officially into being.

"Did you hear how the man got rid of that annoying noise on the right side of his car? He let her drive," says Fred Scheneman, who runs Fred's Auto Repair.

DIMMER VIEW

ging for a story because any fair-to-middlin' reporter prefers to dig his own material provided there is a story worth digging for. But I make reference to regular information that should be passed on to the district's residents as a regular routine and a normal responsibility of the taxing agency.

Hardly any editor worth the smear of ink across his harried brow can fail to observe that the ones who supply this material so willingly when the cupboard needs replenishing or a new trick needs to be turned, will offer nothing but unintelligible mouthings when a gain is not in view.

Come election year and the picture changes again. Then the intellectual miscreant emerges from the ivy tower and again speaks words and phrases we dopes can understand.

There's nothing wrong with the system of districts of which we cannot fail to wonder whether or not there are already too many, but the reluctance some districts seem to have in keeping its constituents apprised of regular developments gives rise to this gentle diatribe accusing them of failing to use the same enthusiasm to disseminate information after the elective objective has become an accomplished fact as they used when they wanted something. Come on, districts, let the bill payer know what the heck is going on!

The Dixon Line

missioner, last year, failed to qualify because his petition was irregular.

This year, with a determination not to become involved in illegality but with a determination to gain a commissioner's seat, he named a campaign manager.

Everything apparently was in order with the embryo fire commissioner and his manager, and success was but a matter of awaiting the election.

After it was too late, it hit them with the force of a stream from a 2 inch fire hose—the manager had overlooked the filing deadline and a week too late they realized they had not only failed to file but neither had obtained a petition.

Lakeside Chamber Sponsors Rodeo

The west's top cowboys will ride broncs, rope calves and wrestle steers in the southland's biggest rodeo scheduled April 3 and 4 at the Lakeside Rodeo Arena.

Sponsored by the Lakeside Chamber of Commerce, and approved by the Rodeo Cowboys Association, the event will offer a full program of saddle and bareback bronc riding, wild bull riding, steer wrestling (or bull dogging), calf roping and team roping each day.

Three hundred head of prize rodeo stock will be furnished by Andy Juaregui, Newhall, Calif., who also will serve as arena director. Holders of world championship titles from the western states and Canada, as well as non-professionals, will try their skill for $6000 in prize money.

Added attractions will include several performances by Montie Montana, the west's best known trick roper, and by Shirley and Sharon Lucas, trick riders and motion picture stunt girls.

Rodeo manager C. W. Mathis announced that the arena and grandstand have been rebuilt with a seating capacity of 4400.

"Older residents will testify that many a father often maintains a home for five or six children better than five or six children will maintan a home for a father," says Stephen Westover.

C. D. A. Takes 18 New Members

Eighteen new members were initiated into the Catholic Daughters of America last week at the St. John of the Cross Auditorium. Mrs. Eleanor McCormick, Grand Regent, presided at the impressive candlelight service, assisted by Miss Lillian Kennedy, District Deputy, and Mrs. Mary Lodermeier, Monitor.

New members initiated into Court St. Teresa of Avila, No. 1580, were: Mmes. Edna S. Carter, Evelyna E. Conley, Margaret M. Brown, Josephine S. Drewek, Jeanne R. Galligan, Helen C. Henshaw, Catherine M. Jagers, Margaret Korpita, Jane S. Kotnik, Mary J. Lynch, Nancy A. Mulvihill, Marselina R. Nunez, Fern E. Reeves, Rita H. Stadther, Elizabeth Ursillo, Mary Louise Watson, and Miss Carol A. Galusha. Mrs. Lillian V. Madden was a new member for Court St. Claire. The transfer of the membership of Mrs. Loraine D. Conely from the State of Vermont was welcomed into the Court.

A reception for the new candidates followed the initiation with St. Patrick's theme carried out in the decorations and refreshments. Mrs. Mary Ellen Young was hostess, assisted by Mmes. Terry Hammond, Annette Madigan, Marion Leitner, Katherine Blethin, and Dorothy Pfiffer.

Visiting dignitaries for the occasion were: Mmes. Eva Messerschmitt, State Regent, Clara Fitzgerald, State Monitor, Elizabeth Sokal, Legislation, Margaret Amick, extension, Erlene McMannus, Social Welfare, and Regina Jones, Sadie Wyans, Josephine Chambers, and Leona McKernan, Grand Regents. Mrs. J. H. Trahan was a visitor from the State of Michigan.

Grossmont Adult Student Takes Prize

Mrs. Alice Albee, member of the Wednesday creative writing class at the Grossmont Evening High School who has won previous contest prizes for her writings has just received grand sweepstake prize for February, in the Dodge contest. Mrs. Albee and her family are entitled to a two weeks' vacation in any part of the U.S. with all expenses paid as well as $500.00 in cash plus the equivalent of double her husband's salary for a two weeks period. The Albee family plan to go to the east coast.

Enrollment is open for a twelve week course in advanced fiction writing at Grossmont Evening High School, room 33, from 7 to 10 p.m. Wednesday. Mrs. Edith Boutwell is instructor.

Stephens Gets Broker's License

Long, lanky, Ray Stephens, popular salesman associated with George Casteel, got his broker's license last week. This week Ray can be seen running up and down Broadway with real estate contracts popping out of his pockets.

APPRECIATION GIVEN

Appreciation for the acts of kindness in connection with their bereavement was expressed to all their acquaintances and neighbors by Mr. and Mrs. Ovis Baily whose son Donald, aged 12, died recently.

M. H. Brownies News

Monterey Heights Girl Scout Troop 863 elected the following officers at their meeting on March 22: Katherine Pierce, President; Sharon Davy, Vice-President; Freida Taylor, Secretary; Jackie Williams, Treasurer; Susan Stevens, Publicity; Kay Hildebrand, Hostess; Mary Jorgeson, Chart Girl; and Barbara Moe, Song Leader.

—o—

Monterey Heights Brownie Troop 375 will visit the Roy Hogsed Program, Channel 10, on April 5 from 1:00 until 3:00 p.m. Accompanying them will be their leader, Mrs. Philip Titmas, and Co-Leaders, Mrs. Bill Castle and Mrs. Robert Buckner.

M. H. Neighborhood Club Meets

Monterey Heights Neighborhood Club met last week at the home of Neighborhood Chairman, Mrs. Raymond Johnson. Director of District X, Ruth Krueger, and District X Chairman, Mrs. Robert Davy, as well as representatives of Girl Scout troops were present.

It was announced that Ray Mitchell, National Brownie Scout Advisor, would visit in San Diego March 24, 25 and 26. She will meet on March 25 from 9:30 a.m. to 11:30 a.m. with Brownie program chairmen and from 12:30 p.m. until 2:30 p.m. with Brownie troop leaders.

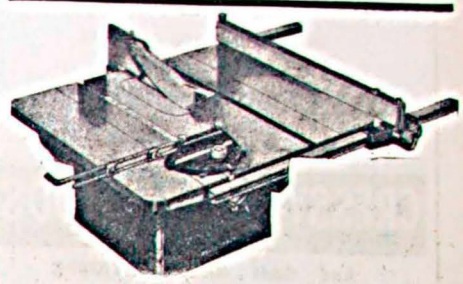

The neighborhood award of an established campership will go to the high cookie girl of Monterey Heights, Georgine Kowach of Troop 375.

The Girl Scout Planning Board will meet at the home of Mrs. Philip Titmas, Program Chairman, Thursday, 4:00 p.m. to discuss plans for their Intermediate Rally.

BURIAL CLUBS

One of the earliest forms of mutual insurance in the U.S. were the "burial clubs"—associations of friends, neighbors, coworkers or other groups who banded together and through equal contributions, assured fellow members (and themselves) of dignified burial.

With all thy faults, I love thee still.
